ENR 4.1 RADIO NAVIGATION AIDS/SYSTEMS

1 RADIO NAVIGATION AIDS

1.1 List of Aids

1.1.1 Enroute radio navigation aids within the New Zealand FIR are contained in Table GEN 3.7-1.

1.1.2 Unless otherwise noted, the hours of service for each station are H24 unless modified by NOTAM.

1.1.3 CAR Part 171 requires all radio navigation aids to have suitable power supplies to ensure continuity of service. This is achieved by battery back-up, supplemented where applicable by standby generators.
