ATC PROCEDURES**Departure Procedures**

The following departure procedures will not be issued until such time as the helicopter can depart. If traffic requires a delay in departure, an instruction to hold (on the ground or air taxi) will be issued. Note that aircraft should not overfly the rescue/fire base under any circumstances.

Copter North Departure Take-off at your discretion, climb out on track 024°M;
turn right before RWY 29 to intercept assigned departure procedure.

Copter South Departure Take-off at your discretion, climb out initially on track 187°M;
turn left before Ryans Road tracking towards Riccarton Racecourse to intercept assigned departure procedure.

When RWY 29 in use: Use Copter South departure.

Arrival Procedures

Copter North Arrival Track south of RWY 29 threshold, intercept track 204°M to
Garden City Heliport, land at your discretion, report arrival to ATC.

Copter South Arrival Track initially towards Riccarton Racecourse. From there, track
towards Grays Road and intercept track 007°M to Garden City Heliport, land at your discretion, report arrival to ATC.

When RWY 29 in use: Use Copter South arrival.
