HAMILTON**RWY 36 VFR ARRIVAL/DEPARTURE PROCEDURES (2)**

ATIS: 128.6

Arrival Procedures

- ① 36 East Arrival —
- Remain east of the Instrument Sector, enter the CTR south of the Waikato River between 1700 ft and 2000 ft VFR.
 - Track to the south east of Mystery Creek.
 - Report 1 NM from Mystery Creek on 126.8 MHz.
 - If onwads clearance is not received, hold in a left hand orbit remaining south east of Mystery Creek between 1700 ft and 2000 ft VFR.
 - When given clearance into the circuit, remain south of Mystery Creek unless instructed otherwise.
- ② 36 West Arrival —
- Remain west of the Instrument Sector, enter the CTR south of a line Temple View to Rukuhia, between 1700 ft and 2000 ft VFR.
 - Track to the south west of Rukuhia.
 - Report 1 NM from Rukuhia on 126.8 MHz.
 - If onwads clearance is not received, hold in a right hand orbit remaining south west of Rukuhia between 1700 ft and 2000 ft VFR.
 - When given clearance into the circuit, remain south of Rukuhia unless instructed otherwise.

Departure Procedures

- ③ 36 East Departure —
- **From RWY 36** — vacate the CTR via the crosswind leg, north of Mystery Creek and the Waikato River, 1200 ft or below VFR.
 - **From RWY 07** — vacate the CTR via the upwind leg, 1200 ft or below VFR.

Note — To keep clear of arriving traffic, it is recommended to remain 1200 ft or below until east of the LL2000 ft CTA boundary.

- ④ 36 West Departure —
- **From RWY 36** — vacate the circuit via the crosswind leg, north of a line Rukuhia to Temple View, 1200 ft or below VFR.
 - **From RWY 25** — vacate the circuit via the upwind leg, then track towards Temple View until clear of the CTR, 1200 ft or below VFR.

Notes

– To keep clear of arriving traffic, it is recommended to remain 1200 ft or below until west of the LL2000 ft CTA boundary.

– Waikato Hospital Heliport (NZHH) is within the departure fan for the 36 West Departure beyond the CTR boundary. Caution helicopters arriving and departing from NZHH.
