VFR ARRIVAL/DEPARTURE PROCEDURES

TOWER: 127.4

DELIVERY: 123.3

ATIS: 129.1

UNATTENDED: 127.4

VFR Arrival Procedure

For VFR flights entering Nelson CTR/D and landing at Nelson:

Prior to entering Nelson CTR/D, contact Nelson Tower and provide a position report consisting of:

- aircraft call sign
- position relative to a Visual Reporting Point
- altitude
- intentions
- receipt of ATIS and QNH

Comply with CTR/D entry or circuit joining instructions.

Note: If a clearance is not available, remain outside Nelson CTR/D.

D**VFR Departure Procedure**

For VFR flights departing Nelson and vacating Nelson CTR/D.

Prior to entering the manoeuvring area, contact Nelson Tower 127.4 and state:

- aircraft call sign
- destination
- request... departure

Nelson Tower will issue a Departure Procedure instruction along with the taxi clearance.

Note: If the requested Departure Procedure is not available, an alternative Departure Procedure will be issued.

After take-off, follow the assigned Departure Procedure. Report when clear of Nelson CTR/D.
